

adoption of the amendments. No one asked to have the call raised so technically the house is still under call. Have you all voted? The Clerk will record. The call is raised. I will venture we will be back under it in short order.

CLERK: 25 ayes, 0 nays on adoption of the committee amendments.

SENATOR MARSH: The committee amendments are adopted. Senator Pirsch.

SENATOR PIRSCH: Thank you. I will keep this short. If you will recall, last year there was some debate about the administrative costs and I had some criticism for the administrative costs of the Reparations Board so this legislation evolved from that, and we looked at various areas and also looked at what would be the criteria for the federal money. I do hasten to add though that the federal funding is a match situation, so until our state is in a better shape that that kind of funding will be probably not forthcoming for Nebraska. We are receiving funds for the victim witness assistance from the federal government in their latest VOCA (sic) in 1985 but this does, in contrary to the World Herald say increasing, it does have a reduction in fiscal impact. It also streamlines the reparations process and, all in all, should be a good improvement in that area. I hope that you will vote and send this along to Select File. Thank you.

SENATOR MARSH: We are now ready and will vote on the advancement of LB 540. All those in favor vote aye, opposed no. A request for a call of the house is forthcoming if we do not have sufficient votes. Thank you. The Clerk will record.

CLERK: 26 ayes, 0 nays on the motion to advance the bill.

SENATOR MARSH: LB 540 is advanced. Will the Clerk read in some matters.

CLERK: Mr. President, new bills. (Read LB 1034-1037 for the first time by title. (See pages 334-35 of the Legislative Journal.) And I believe that that is all that I have, Madam President.

SENATOR MARSH: Senator Pirsch, would you like to adjourn us
